About us

VIA AIR is a fully integrated aviation service provider and AOC-holder. We specialize in offering swift, reliable and competitive airlifting solutions for international organizations, leading NGOs, government agencies, as well as multinational corporations and a wide range of private individuals working in the African region, CIS countries and the Middle East.

In Africa, particularly, with over 15 years of experience, we have become a reference for organizations and individuals working in the toughest environments.

Aircraft ownership, integrated management, fleet diversity and adaptability, are guarantees of our independence and reliability.
